## GENERAL ORDER.

*HORSE GUARDS, 8th July, 1845.*

THE Commander-in-Chief has received from Major-General Sir James Hope, the annexed Reports of the circumstances attending the recent Conflagration in the City of Quebec, in the Province of Canada, of the Conduct of the Officers and Troops composing the Garrison at the time, and the copy of the General Order issued upon the occasion by the Commander of the Forces in North America, the late Lieutenant-General Sir Richard Jackson, K.C.B.

The Commander-in-Chief having considered it his duty to lay these documents before the Queen, Her Majesty was graciously pleased to notice the discretion, intelligence, and ability manifested by the Officers, and the zeal, persevering fortitude, energy, and activity of the Troops under their Command.

On the occasion of communicating to the Troops in North America His approbation of the Conduct of Major-General Sir James Hope, and of the Officers and Troops under his Command, and information of the gracious notice thereof taken by Her Majesty; The Commander-in-Chief desires to draw the attention of the Army at large, to the fresh instance, thus brought to its knowledge, of the advantage afforded by its discipline, and good order, subordination, and habits of obedience, upon all occasions, on which its fortitude, its zeal, its active and energetic action can be required.

The Perusal of these Papers will demonstrate to the Officers and Troops, that, even in times of profound Peace, circumstances may occur, which may enable them to display all their good qualities, to render the most important Services, and thus to acquire for them the good will and respect of their fellow Subjects, the approbation of their Superiors, and, above all, the notice of their Most Gracious Sovereign.

By Command of Field Marshal  
THE DUKE OF WELLINGTON,  
*Commander-in-Chief.*

JOHN MACDONALD,  
*Adjutant-General.*

MY LORD,

*Montreal, Canada, 11th June, 1845.*

I do myself the honour to transmit the accompanying General Order, with the Reports and other Documents relating to the Conduct of the Troops at the calamitous Fire which took place at Quebec on the 28th ultimo, as your Lordship will perceive, by the concluding Paragraph of the Order, that it was the intention of His Excellency, the late Commander of the Forces, to submit the same for the information of His Grace the Commander-in-Chief.

I have, &amp;c.

## GENERAL ORDER.

*Head Quarters, Montreal, 6th June, 1845.*

THE Commander of the Forces, in directing the publication of the following Letter, conveying the cordial thanks of His Excellency the Governor General to Major-General Sir James Hope, and the Garrison of Quebec, (the Officers and Men, Royal Artillery, and Engineers; Wing—14th Regiment; 43d Light Infantry; and 89th Regiment,) for their invaluable and unwearied exertions at the late calamitous Fire in that City, to which alone, under Divine Providence, the preservation of its remaining part is attributable, cannot repress the great gratification he feels in recording this further proof of the exemplary conduct of the Officers and Soldiers serving in Canada, whenever called upon in services of danger.

The gratitude of the Inhabitants of Quebec to the Major-General, and to the Troops under his orders, for their intrepidity, energy, and untiring zeal, regardless of personal hazard, has been communicated to them in the most public manner by the City authorities.

The decisive measures adopted by Major-General Sir James Hope, for cutting off the progress of the Fire, and the able and judicious manner in which they were executed by Lieutenant-Colonel Ward, of the Royal Engineers, Commanding the Garrison, are above all praise.

It will be the pleasing duty of The Commander of the Forces, to submit this General Order, and the Reports, and other Documents relating thereto, to His Grace the Commander-in-Chief.

(Signed) C. A. WETHERALL, Colonel,  
Deputy Assistant General.

SIR,

*Hôtel de Ville, Quebec, 10th June, 1845.*

AN unusual gratification devolves upon me in being charged by the Town Council of Quebec, (after having performed a similar duty on the part of the Citizens) to transmit to you a Resolution, the terms of which express, but inadequately, the public gratitude which has been so well deserved both by yourself, and the Troops acting under your orders, for the generous assistance afforded to the inhabitants, when victims to the extensive conflagration by which they were desolated on the 28th May last.

I can only here repeat the expression of gratitude experienced by me, when I had the honor of transmitting to you the thanks of the Citizens of Quebec,—a feeling which I shall cherish throughout my life.

Constantly present as I was,—in my capacity of Chief Magistrate,—at the scene of the disaster, no one is so incompetent than myself to do justice to the Troops employed on that occasion.

I would add, that such a manifestation of devotion on the part of the military, cannot but confirm the harmony and good-will which should, and indeed do, exist between the Citizens and the soldiery.

I have the honor to be, Sir,

With sentiments of the highest consideration,

Your very obedient humble Servant,

(Signed) R. E. CARON, Mayor.

Major-General Sir James Hope, K.C.B. &c.  
Commanding in Canada East, Quebec.

*Registrar's Office, Quebec, 10th June, 1845.*

AT an Assembly of the Town Council, held on the 9th of the present month, it was resolved unanimously,

On the motion of the Hon. Louis Massue,

Seconded by Edward Glackmeyer, Esq.,—

That the Council of the Corporation of this City avail themselves of the first opportunity which has offered, since the disastrous conflagration of the 28th May, to assemble for the purpose of expressing their liveliest thanks to Major-General Sir James Hope, commanding the military district of Quebec, for having permitted the Troops of the Garrison to render their assistance to the inhabitants on that sad occasion; and for having himself remained during the night, in an exposed situation, in order the more effectually to direct the operations of the military, in arresting the progress of the flames.

And that the Major-General be requested to offer to the Officers, Non-commissioned Officers, and Soldiers employed on the occasion, the expressions of the most profound gratitude of the Council, for the invaluable assistance which they afforded to the sufferers, with a courage, coolness, and perseverance, not easily to be forgotten by the City of Quebec:—and especially for the readiness with which the Major General acceded to the demand of the Municipal Authorities, to make a breach in the range of houses, in the narrow passage, at the extremity of the Town Hall of the Lower Division of the City, and thus to isolate the Fire, to which the rest of the Town must otherwise have fallen a prey.

SIR, *Civil Secretary's Office, Montreal, 4th June, 1845.*

I HAVE the honour, by command of the Governor-General, to request that His Excellency the Commander of the Forces will have the goodness to communicate His Lordship's cordial thanks to Major-General Sir James Hope, and to the Officers and Soldiers in Garrison at Quebec, for the highly valuable assistance rendered by them on the occasion of the late calamitous Fire in that City.

To their admirable conduct, under most trying circumstances, and to their unwearied and successful exertions in checking the progress of the flames, the Governor General attributes, under Providence, the preservation of those portions of the City which have escaped destruction, and the prevention of the further sacrifice of human life, that might have occurred. He entertains the highest sense of their services on the melancholy occasion, which, he doubts not, will long be cherished in grateful recollection by the Inhabitants of Quebec.

Military Secretary, &c.*

SIR, *Quebec, 29th May, 1845.*

I BEG leave to report to you, that yesterday, about noon, a Fire broke out in the St. Roque Suburb, nearly half a mile from this Barrack, which is nearly all built of wood, and being aided by a strong breeze from the westward, in the course of a couple of hours assumed a most terrific aspect; in the mean while a Magistrate, Mr. Lynne, called on me for the assistance of the fire-engine, which was immediately conveyed to the spot, with every other help in my power to supply. At about three o'clock the flames had nearly reached the Artillery Barracks, and the sparks, or rather burning shingles, were flying upon and about the Barracks with fearful effect, but owing to the great exertions both of Officers and Men, assisted by the Soldiers of the Line, happily the burning embers were kept under:—having a good supply of water, the engine worked very effectually.

I attribute the safety of the Barracks and Ordnance Stores in great measure to the roof being covered with tin. The Mess House and Officers' Quarters were in imminent danger, and the roof several times on fire, but by the activity of the men it was kept under, and altogether I am happy to report that no damage has been sustained.

Every attention was paid to the security of the Magazines and Ordnance Stores in the Garrison, and no accident has occurred to them.

I cannot conclude without reporting that I received every possible assistance from the Officers under my command, as well as from Mr. Grant, Acting Ordnance Storekeeper, and the Non-Commissioned Officers and men, entirely to my satisfaction; in short, like Artillery men.

I beg to state that the roof of the Mess House is covered with shingles, but that a requisition has gone in for its being tinned, and had it not been for the rain, in all probability, notwithstanding the exertion of the men, it would have caught fire.

I have, &c.

SIR, *Quebec, 30th May, 1845.*

IN obedience to your directions that I should report to you what precautions, &c. were adopted by me, on the 28th instant, for the safety of the Magazines and Ordnance Buildings in Quebec, I have the honor to state, that on the Town Major calling at my office to show me a requisition from two Magistrates for the assistance of the Troops at a fire which had broken out in the Saint Roch suburbs, I ordered that it should be afforded without delay; and, accompanied by the Deputy Assistant Quarter Master General, I proceeded to the spot, when, seeing that there was little hope of being of any use in that quarter, I called on the Assistant Commissary General, and, accompanied by him, proceeded to the Commissariat Wood-yard, where, assisted by a party of the Royal Artillery, and a detachment of the 43rd Light Infantry, I was employed in removing the paling round the fuel-yard, and removing furniture from the houses on the west side, preparatory to pulling them down, in the hope that the progress of the flames might be arrested there; but while thus engaged, a storm came on, which blew the burning embers about us in such a manner, and the heat was so great, that the whole party was obliged to effect a precipitate retreat to Saint Nicholas Street, at the east end of the fuel-yard. Seeing that there was no possibility of saving the coal and wood in the Commissariat fuel-yard, I lost no time in making for the Ordnance Storehouses and Artillery Barracks in Palace Street. At the Artillery Barracks there was a fire-engine, and men on the alert to act as circumstances might render necessary. I requested the Acting Ordnance Storekeeper to have all the iron window shutters closed, and to have his fire-engine in readiness. I then ascended the ramparts at Palace Gate, and employed a party of the 14th regiment in taking off the wooden coping from the top of the line

wall between Palace Gate Guard-house, and the Nunnery Magazine, near the garden of the Hotel Dieu Convent. The Nunnery Magazine is bomb-proof, and enclosed by a stone wall; there are two gates to the yard, one fronting the west, the other at the further end, fronting the line wall. I had the gate at the west end closed, and earth thrown against it, forming a traverse; the air-holes of the magazine were all carefully closed by wooden blocks covered with copper. All the joints between these blocks and the air-holes were covered with wet clay, as were the joints between the door of the magazine and the door-frame, and earth was thrown against the said door, forming a traverse; so that had the neighbouring convent been in flames, there was no danger to be apprehended from the magazine. I had likewise a fire-engine and an abundant supply of water close to the said magazine, and soldiers lined the roofs of part of the convent buildings which were in a line between the Palace Gate Guardhouse and the Nunnery Magazine, to throw water on any part of these roofs which might take fire. These measures being effected, I proceeded to join you near Hope Gate, to receive any orders you might wish to give, and to act as circumstances might require.

That the progress of the flames was arrested at that point, and the Lower Town saved, is, in my opinion, to be attributed to the providential change of wind, and the prompt and energetic steps taken by yourself in cutting off the communication with the Lower Town, which was effected by blowing up two houses, removing timber, and having men constantly on the alert to prevent burning pieces of wood, which were blown about by the violent wind which was raging, from setting fire to the roofs of houses and loose timber in the vicinity.

It is my pleasing duty to state, that I received every assistance from the Military and Civil Branch of the Ordnance; and it is quite unnecessary that I should make mention of the Regiments in Garrison, as you were, during the whole time, an eye-witness of their indefatigable exertions.

Major-General Sir James Hope, K.C.B. &c.  
Commanding in Canada East, Quebec.

SIR,

Quebec, 30th May, 1845.

IT is with great regret I have to communicate to your Excellency that a fire broke out about eleven o'clock on the morning of the 28th Instant, in a Tannery at the foot of Abraham's Hill, on the road leading to Scot's Bridge; this accident, I am informed, occurred from the bursting of some of the steam apparatus; owing to a strong gale of wind from the west, the fire not only communicated to the contiguous houses, but broke out at intervals of several hundred yards, and before three o'clock P.M., the flames had reached St. Roch's Church, which was consumed, and had spread over, I should think, five-sixths of the suburbs of St. Roch's, and only stopped in their progress by the River St. Charles.

I am sorry to report to your Excellency that the whole of the wood yard was consumed, and I herewith enclose a report from Mr. Assistant Commissary General Milliboin. The fire proceeded up Abraham's Hill, skirting the St. John's suburbs, to the glacis of the town, and also extended along the foot of the hill to the streets immediately below the Artillery Barracks. By a report from Lieutenant-Colonel Walker, your Excellency will see that the barracks were only saved by being covered with tin—the mess-house and Officers' apartments, at present roofed with shingle, were on fire, and only preserved by the exertions of the Men; had this building caught fire, it must have communicated to the contiguous houses belonging to the Upper Town, and it is impossible to say, how far the devastation would have reached.

Lieutenant-Colonel Ward, of the Royal Engineers, had taken every necessary precaution to secure the Powder Magazine near the Hotel Dieu, a short way east from Palace Gate, and I am happy to inform your Excellency, that no accident occurred, though the wooden copings on the top of the ramparts, not further than betwixt 20 and 30 yards from the magazine, were on fire, and had to be torn up and thrown over the rock. The flames continued their progress with frightful rapidity, consuming the houses and two large breweries along the foot of the rock leading to Hope Gate; and every man that could be collected was employed in destroying the buildings and cutting off the communication from the Lower Town, at a point where the Salient Rock approached near to the River St. Charles: had the flames continued beyond this narrow space nothing could have saved a great part of the Lower Town and the Quays from being destroyed; owing, however, to the exertions of the troops, whose steady, active and willing conduct on this melancholy occasion exceeds any praise that I can bestow on them, the communication was successfully cut off, and the fire completely stopped by about half-past ten o'clock P.M. One house was unroofed, but this was found too slow an operation, and the two contiguous houses had to be blown up. The flames had communicated, about eight o'clock P.M., to a large yard, filled with stacks of deals, close to the River St. Charles, and a separation had to be made through the middle of the yard, by the removal of a great part of the wood, to cut off the burning stacks of deals from the range of quays round the Lower Town, which was effected by the unremitting exertion of the Soldiers, and the aid of two fire engines, ordered to this point by Monsieur Caron, the Mayor of Quebec. Some time about eight, P.M., the wind moderated and changed to the south-

ward, to which providential circumstance the safety of the Lower Town is chiefly to be attributed.

I beg to remark to your Excellency, that the troops performed this service during the whole time unaided by the people of the town, very few individuals having offered their services, notwithstanding the efforts of several gentlemen of the town to whom I appealed, but whose attempts to call forth the exertions of the idlers were unavailing.

I beg to repeat to your Excellency, that nothing could exceed the willing exertions of the different Commanding Officers, and of all ranks employed; and I am happy to say, that during the whole time the fire lasted, I did not observe one drunken soldier.

The suburbs of St. Roch present an appearance of frightful desolation, from the greater part of the houses being of wood, chiefly belonging to artisans and to the poor; there is nothing to be seen but a forest of chimneys, and I am apprehensive that the rapidity of the fire prevented many from escaping, and that there are a number of victims to the flames.

The fire communicated so suddenly, and spread with such rapidity over the wood-yard, that it was with difficulty the troops employed escaped from the flames.

I am happy to say, that though the men were frequently exposed to danger, and acted with fearless intrepidity, I have not heard of any casualties. The Officers and Men of the Royal Artillery, Royal Engineers, of the wing of the 14th Regiment, of the 43rd Light Infantry, and of the 80th Regiment, are fully deserving of any expression of approbation which your Excellency may think proper to bestow on them.

It is computed, that about Fifteen Hundred Houses have been consumed, and Fifteen Thousand Inhabitants deprived of their House and Home, many of the Poor solely depending on the Benevolence and Charity of the People.

I have &c.

His Excellency Lieutenant General,  
Sir Richard Jackson, K.C.B.

SIR,

Quebec, 30th May, 1845.

IN discharging the duty confided to me by my fellow Citizens of conveying to you their thanks for the services rendered by the Military at the calamitous Fire of the 28th Instant, I should not do justice to my own feelings if I did not avail myself of the opportunity to say to you, that having been more than any one else in a position to appreciate the importance and efficiency of the services rendered to us, on that sad occasion, by the Military of the Garrison, of every grade and of every rank, it is only rendering justice to merit to declare that to these services, lavished in the best possible spirit, was mainly owing the preservation of what now remains of an unfortunate City; that your own conduct in particular is above all praise I can find terms to convey; and that it has gained you my sincere and lasting gratitude, of which you will please to accept this feeble expression.

At the same time that I beg you to convey to the Officers, Non-Commissioned Officers, and Men, who seconded you so well on the late occasion, the well-merited thanks of the Citizens of Quebec, as well as my own in particular, I am desired to beg you to cause a statement to be made out of the losses suffered by the Non-Commissioned Officers and Men, in order that they may be reimbursed and indemnified.

In the hope that you will please to grant this reasonable request, and afford us as soon as possible the opportunity of performing this act of justice, I have the honour to subscribe myself, with the most profound respect and the greatest gratitude,

SIR,

Your most humble and most devoted Servant,

Major-General Sir James Hope, K.C.B., &c.  
Governor Commanding in Canada East, Quebec.

AT a Public Meeting of the Citizens of Quebec, held at the Court House on the Twenty-ninth day of May, 1845, for the purpose of coming to the help of the Sufferers by the late Calamitous Fire which visited this City on the preceding day,

The Honorable R. E. Caron being in the Chair,

The following Resolution was unanimously adopted:—

That this Meeting of the Citizens of Quebec do offer their thanks to Major-General Sir James Hope, Commanding the District, for his presence on the scene of the Calamity which yesterday visited the City, animating thereby, and directing the efforts of the Troops under his Orders; and that he be requested to convey also to the Officers, Non-Commissioned Officers, and Soldiers of the Garrison, employed on the same occasion, the expression of the deep gratitude of the Citizens of Quebec, for their effectual and invaluable assistance, assuring them that the Citizens will long hold in grateful remembrance the intrepidity, the energy, and the cordial and untiring zeal with which, regardless of personal hazard, exposure, and toil, they devoted themselves to the task of saving the Property of the Inhabitants of Quebec, by which they have been (under the blessing of Divine Providence) the chief means of arresting the progress of the Fire, and rescuing the City, and especially the Lower Town of Quebec, from a desolation, even more awful and extensive than that which it has now to deplore.

Major-General Sir James Archibald Hope, K.C.B.  
Commandant of the Garrison of Quebec, &c.

SIR, PERMIT me, in the name of the Religious Ladies of the Convent of the Hotel Dieu of Quebec, of which I am Superior, to present you their heartfelt thanks for the eminent services which you rendered them during the dreadful Conflagration with which it has pleased Divine Providence to visit this City, and for the special protection with which you were so kind as to grant to their Convent during the impending danger.

Permit me also to request, in the name of the Convent, that, to your past acts of kindness, you will add that of conveying to the different Officers commanding the Detachment which immediately guarded the Convent, and who were stationed in the vicinity of the Powder Magazine, the sentiments of gratitude with which they regard their conduct, and that of the Men under their orders, who were so vigilant in the performance of the duty with which they were entrusted.

I beg to subscribe myself,

SIR,

Quebec, 31st May, 1845.

I HAD the honor to receive your letter of the 20th instant, accompanied by a Resolution of a Public Meeting at which you presided, offering their thanks to the Military employed during the calamitous Fire that occurred on the 28th instant, and requesting me to convey these thanks to the Officers, Non-commissioned Officers, and Men. I have to request that you will be pleased to express to the Gentlemen who composed this Meeting, the satisfaction that all ranks must feel that the Troops did their duty, and their gratification that they merited, on the late distressing occasion, the approbation of the Citizens of Quebec.

I have, &amp;c.

(Signed) J. A. HOPE, Major-General.

The Honorable R. E. Caron, Mayor of Quebec.

(Copy.)

MY DEAR SIR,

Quebec, 31st May, 1845.

IN common with the Troops I feel much gratified with the expression of thanks from the Public Meeting at which you presided, and I shall convey the Resolution of the Meeting to the respective Regiments, and I have at the same time to thank you for your flattering expression towards myself. I shall submit that part of your Letter to His Excellency The Commander of the Forces, requesting that a statement may be made of losses sustained by the Troops. These losses can only be from the Clothes of the Men being injured, and though I should be happy that Government made them compensation, I am quite sure that all Ranks would be unwilling to accept any compensation from the Citizens of Quebec, when there are such numerous distressing cases that require immediate relief. I beg to express to you my admiration of the generous spirit of charity that has so nobly actuated the influential Citizens of Quebec, on this unhappy occasion.

I have, &amp;c.

(Signed) J. A. HOPE, Major-General.

The Honorable R. E. Caron, Mayor of Quebec.

Extract from a Private Communication.

Dated Montreal, Tuesday, June 3rd, 1845.

IN all the accounts of that catastrophe we have yet seen, whether in the journals of the city of Quebec, or in private letters, the conduct of the Soldiers of the garrison is spoken of in terms of the warmest praise. It appears to us that there can be no doubt but that the whole of the city would have been destroyed had it not been for their exertions. It is said, in some accounts that we have seen, that, independently of the stoppage of the conflagration in one direction by the blowing up the houses, under the advice and superintendence of the military authorities, the salvation of the whole of St. Paul Street, with the wharfs, warehouses, and SHIPPING, may be attributed to the energy with which both OFFICERS and SOLDIERS worked in throwing into the river the huge piles of deals which occupied the wharf next to the commencement of St. Paul Street.

Some of the soldiers are said to have remained at the posts where they were stationed by their officers, till their hair and clothes were singed by the flames. Honor, say we, to the country that possesses such a soldiery, they are not likely to fall before their "enemies in the gate;" and we say that the conduct of the regiments composing the garrison, the 89th, 43rd, and part of the 14th, with the Royal Artillery, will entitle them as much, in the world's estimation, to bear "Quebec" upon their banners, as it would, had they composed a part of the immortal army that first placed England's Standard upon the City walls.

THE Commander in Chief has received from Lieutenant-General The Earl Cathcart, Commander of the Forces in North America, the annexed Reports of the conduct of Major-General Sir James Hope, and of the Officers and Troops at Quebec, upon the occasion of a second conflagration which, unfortunately, occurred in that City on the night of the 28th June. He has laid these Reports before Her Majesty; and he is happy in having another opportunity of expressing his approbation of the conduct of Major-General Sir James Hope, and of the Officers and Troops at Quebec.

He particularly notices the Report made of the conduct of Captain Boxer, of the Royal Navy;—Lieutenant-Colonel Walker, Captain Warburton, and Lieutenant Shakespear, of the Royal Artillery;—Lieutenant-Colonel Ward, of the Royal Engineers;—Lieutenant-Colonel Thorp, of the 89th Regiment;—Major Watson, of the 14th Regiment;—Lieutenant-Colonel Pritchard, Assistant Adjutant-General;—Captain Ingall, Deputy Assistant Quarter-Master-General;—and Captain Hope, Aide-de-Camp to Major-General Sir James Hope;—and he draws the attention of the Army at large to the fresh display, in this transaction, of all the good qualities of British Officers and Soldiers:—Cool deliberation and judgment in the direction of the measures to be adopted;—energy in the superintendence of their execution;—and the zeal, activity, intrepidity and persevering labour of all to attain the object in view,—that of arresting the progress of the misfortune, and saving the lives and property of Her Majesty's subjects.

JOHN MACDONALD,

*Adjutant-General.*

No. 1.

MY LORD,

*Head Quarters, Montreal, 9th July, 1845.*

THE painful duty devolves upon me of acquainting your Lordship, for the information of His Grace the Commander-in-Chief, of another most extensive calamity that has befallen the unfortunate inhabitants and city of Quebec, from a fire which broke out on the night of the 28th ultimo, devastating the whole of the St. John's, as well as the greater part of the St. Louis, Suburbs; upwards of twelve hundred houses having been consumed on the occasion, whereby twenty-two thousand inhabitants have been reduced to the utmost state of misery and distress, in addition to those who suffered by the previous fire in the Suburb St. Rock, the 28th May.

I have the honor of transmitting to your Lordship the Report (together with a sketch of the extent of the fire on 28th May and 28th June) made to me by Major General Sir J. Hope, embodying many particulars relating to this deplorable misfortune; and specially pointing out the valuable assistance rendered him by several Officers named in the Major General's letter; as also the admirable conduct of the Officers, Non-Commissioned Officers and Privates of the Garrison in general, in their zealous performance of the arduous duties which devolved upon them.

To Sir James Hope I am particularly indebted; the measures taken by this Officer not only to arrest the progress of the devouring element, but to provide shelter for the unfortunate houseless, deserve my warmest thanks. I must beg permission of your Lordship to bring these particulars to the special notice of His Grace the Commander-in-Chief, as deserving of higher eulogy than I can bestow.

(Signed)

I have, &amp;c.

Lieut.-General Lord Fitzroy Somerset, K.C.B.  
&c. &c. &c.

CATHCART, Lieutenant-General,  
Commander of the Forces.

No. 2.

MY LORD,

Quebec, 1st July, 1845.

IT is with great grief that I have to report to your Excellency another dreadful conflagration, that took place in the Suburbs of Quebec on the night of the 28th of June, by which twelve hundred houses were consumed. The fire is said to have originated, about twenty minutes before twelve o'clock at night, in a hangar behind the house of Monsieur Tissy, a Notary, at the beginning of Aiguillon Street, close to the Glacis, outside of St. John's Gate, and spread with frightful rapidity along the whole length of that street, of St. John's Street, consuming the whole of the Suburbs of St. John's, and extending to the ruins of the St. Rock's Suburbs, burnt by the former fire. There was no time lost in turning out the whole of the Troops; but the rapidity of the flames, for a considerable time, defied all human exertion, and continued their frightful progress along the St. Foy Road (a distance of 1200 yards), as long (with very few exceptions) as there were any houses to burn, and spreading against the wind from one narrow street to another, in the direction of the St. Louis Road.

Unfortunately, a gale of wind was blowing from the East, and the whole breadth of the St. John's Suburbs appeared to be on fire at the same moment.

During the night Monsieur Carron, the Mayor of Quebec, came to me to point out a spot near the Glacis, betwixt the St. John's and the St. Louis Gates, that should be cut off, and a house was immediately blown up, by which a considerable part of the Suburbs of St. Louis was saved. It was, therefore, to the Mayor's judicious selection of this spot, that this important service was performed; and I have strongly to express to Your Excellency, that Monsieur Carron exerted himself during the whole of the night to the utmost, and, owing to the great extent of the conflagration, was obliged to invest me with full authority to take every step that the circumstances required.

Some houses and a chapel were blown up in the intervening space, from where the Fire commenced to the spot where it was finally checked, without producing any good effect, except at one spot pointed out to me by Captain Warburton, of the Royal Artillery, who reported that, by blowing up of two houses at the corner of one of the streets leading towards the St. Louis Road, and taking advantage of some open spaces, a stop might be put to the flames in that direction. I immediately directed him to do so, and I am happy to do justice to the intelligence of this young Officer, in reporting to Your Excellency that the operation was attended with success; and I have to add Lieutenant Shakespear's (of the Royal Artillery) name as equally deserving of praise—both these Officers being entrusted with the peculiar duty of placing the barrels of gunpowder in the houses frequently within a few yards of the conflagration.

By the blowing up of several houses in rapid succession at the spot where the St. John's Suburb extended beyond the St. Louis Suburb, taking advantage of some open spaces, and by the clearing away a space betwixt the burning buildings and the upper parts of the Suburbs of St. Louis, the flames that had raged to this spot with unabated violence were checked at about eight o'clock on the morning of the 29th of June, and this direful visitation suddenly, and in an instant, subdued into the stillness of exhausted desolation.

A great part of the St. Louis Suburbs, the whole of the St. John's Suburbs, with very few exceptions, five-sixths of the Suburbs of St. Rock, the streets extending along the foot of the Rock, to the point where the fire was stopped on the former occasion, present one scene of continuous ruins, having deprived at least 22,000 persons of their houses and homes, entailing on the poorer part of the population of this devoted city inexpressible misery, and sent thousands to wander for shelter and bread, and to depend for relief and consolation on the benevolence and the generosity of a feeling public. It may be permitted to me, under these appalling circumstances, to go a little out of my way, and to beg of Your Excellency to use all your influence, that some Legislative measure should be adopted in the reconstruction of this unfortunate town, that the houses should be built, as much as possible, with stone or brick, and roofed with some material to resist the flames; and that a line should be drawn round the works, and no houses allowed to be built, within that line, but of stone or brick, and securely roofed. Besides almost the whole of these Suburbs being constructed of wood, all the intervening spaces between the streets, the gardens, yards, &c. were filled with stacks of deals, connected by wooden palings, and every sort of combustible matter heaped together. It therefore ceases to be a matter of surprise that these two dreadful calamities have occurred, and rather to be wondered at that such a dreadful visitation has not taken place before.

The spot where the houses were latterly blown up was at the point where the St. John's Suburbs extend beyond the St. Louis; and owing to these houses being rapidly blown up, and by the utmost exertion of the Troops in clearing a space, a great part of the St. Louis Suburb, the whole of Clapton Terrace, consisting of villas and the gentlemen's seats on each side of the St. Louis Road, were saved.

I wish it had fallen to my lot to report to Your Excellency the services of the Officers and Men employed during the progress of both the late lamentable events, on occasions more honourable and more congenial to their profession; but it would indeed be unjust, if I did not mention the names of Captain Boxer, of the Royal Navy, whose exertions during the whole night, and particularly at the end of the fire, in directing the spaces

to be cleared, were of the greatest service;—of Lieutenant-Colonel Walker, Commanding the Royal Artillery;—of Major Watson, Commanding the 14th Regiment; of Lieutenant-Colonel Thorp, Commanding the 89th Regiment. And I have also to state that I received every assistance from the suggestions and activity of Lieutenant-Colonel Ward and the Officers of the Royal Engineers;—of Lieutenant-Colonel Pritchard, Assistant Adjutant-General;—of Captain Ingall, Deputy Assistant Quarter-Master-General;—of Town-Major Knight, and of my Aide-de-Camp Captain Hope. The conduct of the Officers, Non-Commissioned Officers and Men, as I expressed on the occasion of the former conflagration, exceeds any thing I can say in their praise. Though this dreadful misfortune occurred in the night, when the men were frequently scattered in various directions, they were quickly assembled at the sound of the bugle, and never relaxed for an instant in their exertions; and I am happy to add that but one person was killed, one man's leg broken, and three or four contused by the several explosions that took place; and that no pains were spared to get the people out of the way. There have been no casualties amongst the Troops.

I directed that the whole of the tents should be pitched near the old French works, and the splinter-proof barracks given up for the accommodation and relief of the sufferers, and to be placed at the disposal of the Mayor.

His Excellency Lieutenant-General,  
The Earl Cathcart.

I have &c.

(Signed)

J. A. HOPE, Major-General.

### No. 3.

MY LORD,

Head Quarters, Montreal, 10th July, 1845.

WITH reference to my letter addressed to your Lordship on the 9th instant, I have now the honor of transmitting, with a view to being laid before His Grace the Commander-in-Chief, the General Order I caused to be issued to the Troops under my command, expressing therein the sentiments of His Excellency the Governor-General on the occasion of the exemplary conduct of the Troops at Quebec, at the recent disastrous event. I have also to enclose the Resolution passed by the Mayor and Corporation of the City of Quebec, conveying their thanks to Major-General Sir James Hope and the Garrison under his orders, on the fatal night of the 28th and 29th June.

I have the honor to be,

My Lord,

Your Lordship's most obedient humble Servant,  
Lieut.-General Lord Fitzroy Somerset, K.C.B.  
&c. &c. &c.

CATHCART, Lieut.-General,  
Commander of the Forces.

### No. 4.

GENERAL ORDERS.\*

Head Quarters, Montreal, 8th July, 1845.

IN promulgating to the Army serving in North America the following Letter from Mr. Secretary Higginson, conveying the approbation, and an expression of the admiration, of The Governor-General of the praiseworthy conduct of the Troops upon the occasion of the second extensive and calamitous Fire at Quebec, the Commander of the Forces takes the opportunity to assure Major-General Sir James Hope, that his own sentiments in regard to the personal example shown by the Major-General, the judicious measures he adopted for checking the progress of the flames, and his humanity in providing shelter for the houseless families, as far as the means at his disposal would admit of, cannot be exceeded by the expression of any approbation, however high may be the source from which it proceeds.

The Lieutenant-General feels proud at having under his command a body of Troops who have so greatly distinguished themselves by their gallantry, steadiness and humanity upon two such trying occasions as the late Fires at Quebec.

Where all have so nobly done their duty, it is difficult to particularize the merits of individuals; in offering, however, his thanks to the several Regiments and Corps of the Garrison of Quebec generally, for their zealous and unwearied exertions on the night of the 28th ultimo, Lord Cathcart feels great pleasure in noticing the conduct of Captain Boxer, Royal Navy; Captain Warburton and Lieutenant Shakespear, of the Royal Artillery, which Sir James Hope has represented to have been most conspicuous, and as having, under Providence, materially contributed to arrest the progress of the conflagration, and to save the remainder of the city from destruction.

SIR,

Civil Secretary's Office, Montreal, 5th July, 1845.

I AM directed by the Governor-General to acknowledge the receipt of your letter of yesterday's date, transmitting, by command of the Commander of the Forces, a copy

of Major-General Sir James Hope's Report of the late calamitous Fire in Quebec, and of the exemplary conduct of the Officers and Troops of the Garrison on that melancholy event.

The Governor General has, unfortunately, too recently had occasion, on the occurrence of the previous Fire, to express the very high sense entertained by him of the valuable services then rendered by the Troops; but he requests that Sir James Hope, and the Officers and Men employed under his command, may be again assured that he has perused with the most lively admiration this fresh record of their humane and untiring exertions on the painful and harassing duty which they have been, within so short a period, a second time called on to perform. It is not alone before an enemy, his Excellency observes, that the worth and valour of the British Soldier stand conspicuous; but on all occasions of trial and emergency, requiring prompt decision and ready execution, his proverbial coolness, energy and courage enable him to overcome obstacles almost insurmountable:—of this fact evidences are not wanting, but the deplorable calamities which have lately called forth the exercise of these noble qualities, bear additional testimony to it.

The gratitude of the Mayor and Inhabitants to Sir James Hope has been strongly expressed in a Report to the Governor-General, not only for the admirable efficiency with which he directed the operations of the Troops during the progress of the Fire, but also for the shelter afforded to the houseless sufferers, which the Military Magazines at his disposal enabled him to offer.

I have, &c.  
(Signed) J. M. HIGGINSON.

Captain Talbot, Military Secretary,  
&c. &c. &c.

JE suis chargé par l'Honorable M. le Maire de vous transmettre une Résolution adoptée Vendredi dernier par le Conseil de Ville, qui s'est fait en cette occasion l'écho des Citoyens, afin de vous exprimer à vous-même, M. le Général, et aux troupes sous vos ordres, les sentimens de la vive reconnaissance dont le Conseil, et les habitans qu'il représente, sont pénétrés pour les services que vous leur avez rendus dans la fatale nuit du 28 au 29 Juin.

J'ai l'honneur de me soucrire, Monsieur le Général, avec les sentimens de la considération la plus distinguée,

Votre très humble et obéissant Serviteur,  
Monsieur le Général Sir James Hope, K.C.B.,

No. 6.

Bureau du Greffier de la Cité,  
Québec, 7 Juillet, 1845.

A UNE Assemblée spéciale du Conseil de Ville tenue le 4 Juillet, courant, l'Honorable Louis Massue, secondé par T. C. Lloyd, Ecuyer, a proposé, et il a été unanimement résolu,—

Que les vifs remerciemens du Conseil soient présentés par l'Honorable M. le Maire à M. le Général Sir James Hope, Commandant la division Militaire de Québec, et aux troupes sous ses ordres, pour les services éminens qu'ils ont rendus, pour la seconde fois, à notre malheureuse Cité, dans l'incendie qui a éclaté dans la nuit du 28 au 29 Juin dernier, et qui, aussi désastreux que celui du Mois du Mai, a réduit un autre tiers de Québec en cendres; que M. le Général Sir James Hope soit prié de faire part aux Officiers, Sous-Officiers et Soldats, que le Conseil ne peut que répéter, dans cette occasion, l'expression de sa reconnaissance, et du témoignage qu'il déjà rendu au courage, à l'activité, et au dévouement, déployés par eux dans la journée du 28 Mai; et que M. le Général Sir James Hope soit prié d'accepter, pour lui-même en particulier, les plus sincères remerciemens du Conseil pour avoir bien voulu diriger, et encourager par sa présence, les efforts des troupes durant tout le temps de l'incendie, et pour avoir mis spontanément, avant de laisser le lieu du sinistre, à la disposition du Maire, toutes les tentes Militaires, et les Casernes de la porte St. Louis, pour loger les infortunés qui venaient de perdre leurs foyers, acte qui, en honorant son cœur, lui a mérité les plus profonds sentimens d'attachement, et de reconnaissance, de la part de la population de cette Cité.

Greffier de la Cité.

No. 7.

AT a Meeting of the General Committee for the relief of the sufferers by the late Fires, held on Thursday, the 3rd July, 1845,

On motion of Henry Jessop, Esq.  
Seconded by the Honorable Louis Massue,

It was Resolved,

That in the calamity which again laid waste one-third of this City, on the night of the 28th and 29th ultimo, the exertions of the Military of this Garrison, of all ranks, were, as on the former occasion, so conspicuous and so effective as to enhance the gratitude which the Citizens already owed, and endeavoured on that occasion to express, and that this Committee, on the behalf of the Inhabitants of Quebec, again request Major-General Sir James Hope to accept for himself, and to convey to the Officers, Non-Commissioned Officers and Privates of the Garrison, the thanks of the Citizens for the prompt and unceasing services which they rendered, during the whole of the night of Saturday last, in arresting the progress of the fire and saving the property of the Citizens; and that the special thanks of the Citizens be further given to Sir James Hope personally for the promptitude with which, on Sunday morning, he directed accommodation to be given to the sufferers by the fire in a part of the barracks, and tents to be issued to shelter them, and for the anxiety he has shown to adopt every measure in his power to aid the Inhabitants in relieving their fellow Citizens.

## WARRANT REGULATING THE ISSUES OF STAFF AND GARRISON PAY.

---

*Dated 7th August, 1845.*

### VICTORIA R.

WHEREAS We have deemed it expedient to revise the Warrant of our late Royal Uncle, dated 30th July, 1830, regulating the Issues of Staff and Garrison Pay, Our Will and Pleasure therefore is that instead of the Provisions therein contained, this Our Warrant shall be the sole and standing Regulation on the subject, at every station abroad where Our Forces may be serving; the East India Company's territories excepted.

It is Our further Will and Pleasure, that no deviation whatever from it shall on any account be permitted, unless Our sanction for such deviation be communicated by our Secretary at War.

---

### *First Division.*

#### STAFF OR GARRISON OFFICERS HOLDING MORE THAN ONE MILITARY COMMISSION OR APPOINTMENT.

1.—The pay granted to these Officers is strictly a remuneration for local service, and is not to be issued unless the Officer be present in the actual discharge of his duties on the spot.

### *At Home.*

2.—The Staff pay or Garrison pay *at home* shall be issued quarterly, the Staff pay at the rates specified in the schedule annexed to Article 42, and the Garrison pay at the rates borne upon the establishment of the respective Garrisons.

### *Abroad.*

3.—A list of the Staff and Garrison appointments borne on the establishment of each station abroad, will be transmitted by the Secretary at War to the Officer in command, upon his appointment, for his information and guidance: and no appointment in excess of that establishment is to be made, nor any new appointment created in time of peace, without the previous sanction of the Secretary at War; but as in time of war cases of emergency may occur, to render indispensably necessary an appointment not specified in such list, in these cases the Officer in command shall transmit to the Commander-in-Chief and to the Secretary at War a special report of the circumstances which have created the necessity for the said appointment, stating also the proposed rates of pay and allowances, if any, and the time during which the appointment will in all probability be required.

4.—If an Officer in the command of a station should be promoted to a higher rank, and should, for the convenience of the Service, be retained in the same command, he shall not be entitled thereby to any increase of his Staff pay and allowances, and shall not be allowed any addition to his Personal Staff in consequence of such promotion.

5.—At the expiration of every two months, returns of Staff or Garrison Officers abroad, according to forms to be furnished by the War Office, shall be regularly transmitted to the Secretary at War by the several Officers in command.

6.—The Staff pay or Garrison pay *abroad* shall be issued every two months from the commissariat chest on the station; the Staff pay at the rates specified in the schedule annexed to Article 42, the Garrison pay at such rates as shall be communicated by the Secretary at War to the several Officers in command.

*Issue of Staff or Garrison Pay on first Appointment, to Officers not being on the Personal Staff of a General Officer.*

7.—When the officer is present on the station, his pay shall commence from the date of his appointment being announced in General Orders.

When the Officer is not present on the station, his pay shall commence only from the date of his arrival abroad within the command, without reference to the date of his appointment.

*Allowance on Embarkation.*

8.—To assist the Officer in defraying his expenses, on embarking from the United Kingdom to assume the duties of his appointment, he shall, on being provided with a passage by the Lords Commissioners of the Admiralty, or if he cannot be so provided, on producing to the Secretary at War a certificate from the Captain or Master of the vessel in which he is about to embark, of his agreement for a passage, receive an allowance equal to the Staff or Garrison pay of his appointment, in proportion to the average length of the voyage to the station, agreeably to the following calculation, viz.—

### *Leave of Absence.*

9.—When an Officer comes home upon leave of absence, whether on account of ill health or for his private affairs, his pay shall cease from the date of his quitting the station, and shall re-commence only from the date of his return thereto.

10.—If he comes home upon the recommendation of a Medical Board, he may upon embarkation receive an allowance according to the scale in Article 8, in aid of the expense of the voyage; and if he returns to the station, he shall, upon being provided with a passage by the Lords Commissioners of the Admiralty, or *if he cannot be so provided*, upon his producing to the Secretary at War the certificate prescribed by Article 8, receive the same allowance as is thereby granted for the voyage out on a first appointment.

11.—But if the Officer comes home on leave for his private affairs before he shall have performed the duties of his appointment for three years on the station, he shall not be entitled, as a matter of course, to any allowance in aid of the expense of the voyage home or out again.

If, however, he shall have performed those duties for not less than twenty-four months upon the station, the prescribed allowance for the voyage home may be issued to him upon his signing a declaration, that should he resign while on leave, or before he shall have performed the duties of his appointment for three years, he will be prepared to refund the allowance advanced to him. Upon his producing to the Secretary at War the requisite certificate of his having engaged a passage back to his station, he shall receive the regulated embarkation allowance, but subject to the condition of refunding that amount also, if he resigns before he shall have completed three years' service on the station.

12.—This indulgence of embarkation allowance to Officers on leave of absence for their private affairs shall not give them any claim to a passage home or out at the public expense.

### *Issue of Pay to Officers not being on the Personal Staff of a General Officer, on Removal or Discontinuance from the Staff or Garrison Appointments.*

13.—If the Staff attached to a body of forces employed on foreign service is broken up entirely in consequence of the recall of the troops, every Officer of such Staff, *who returns home therewith*, shall be allowed Staff pay till the date of his arrival with the said forces in the United Kingdom, and upon such arrival, a gratuity equal to two months' Staff pay; but if any such Officer shall remain abroad for his own convenience, after the departure of the said forces, he shall receive the pay of his appointment to the date only of his ceasing to do duty, with a gratuity equal to two months' Staff pay.

14.—On the abolition of a Staff or Garrison appointment, the Officer who has held it, if not belonging to a regiment serving on the same station, and if not holding any other Staff or Garrison appointment, shall receive a gratuity equal to two months' pay beyond the date of his ceasing to do duty :

and if he return home without delay, he shall be further entitled to an allowance according to the scale in Article 8, in aid of the expense of the voyage home.

15.—An Officer who shall be discontinued from his Staff or Garrison appointment for misconduct, shall not receive pay beyond the day when he ceased to do duty, and shall not be entitled to any embarkation allowance.

16.—An Officer who shall resign his Staff or Garrison appointment, shall not receive pay beyond the day when he ceased to do duty. If he does not belong to a Regiment serving on the station, and uses due diligence in effecting his return home, he shall receive an embarkation allowance, according to the scale in Article 8.

### *Personal Staff.*

17.—The appointments on the Personal Staff of a General Officer abroad are—Military Secretary or Assistant Military Secretary, and Aide-de-Camp. No pay can, however, be allowed for appointments on the Personal Staff of a General Officer unless they are authorised by his Letter of Service, or have been specially sanctioned by the Secretary at War. As Officers of the Personal Staff differ from other Staff Officers, being appointed by the General himself, and holding their situations during his pleasure, the grant of Staff pay and allowance is regulated upon the principle, that the charges to which the public are liable are, *pay for local service abroad—passage and embarkation allowance* of the Officers appointed by the General in the first instance, and of those who return home upon his removal or death. Issues of pay, &c. to the Personal Staff are accordingly to be governed by the following rules.

18.—If an Officer of the Personal Staff accompanies his General to a foreign station, the commencement of his pay, and the allowance in aid of his expenses in going out, will be governed by the rules that would be applicable to the pay and allowance of the General, if allowed Staff pay.

19.—If upon his first appointment the General shall select an Officer who cannot accompany him, or if, in succession to a death vacancy, he shall appoint an officer not serving on the station to be a member of his Personal Staff, the issue of the pay and embarkation allowance to such Officer shall be governed by the rules laid down in Article 8.

20.—Officers on the Personal Staff who may voluntarily resign, may obtain leave of absence, or may be removed at the discretion of the General Officer, and Officers appointed to succeed them shall only receive Staff pay while actually performing duty on the station, and shall not be entitled to any allowance on coming home or on going out.

21.—If an Officer of the Personal Staff resigning on account of ill-health, duly certified by a Medical Board, or removed for misconduct, is succeeded by an Officer not serving on the station, the claim of the successor to an allowance on embarkation may be specially submitted to the Secretary at War.

22.—A Military Secretary abroad is allowed only on commands of importance requiring the services of a General Officer on the Staff, with an appointment superior to that of a Major-General.

23.—On other commands, where the General Officer holds a Staff appointment as Major-General, an Assistant Military Secretary only is allowed, notwithstanding such commands may, for the convenience of the Service, be held by General Officers of superior rank.

24.—When upon the death or discontinuance of a General Officer abroad, a Military Secretary or Assistant Military Secretary remains at the station in the provisional execution of his official duties, he shall continue to receive the pay and allowances of the appointment until relieved by his successor; and if (his regiment not being on the station) he shall then return home, in consequence of his not being re-appointed, he shall receive an allowance, agreeably to Article 8.

25.—If, upon the death or removal of the General Officer, the Military Secretary or Assistant Military Secretary does not belong to a regiment on the station, and does not remain abroad, he shall be entitled to receive an allowance in aid of his expenses home, agreeably to the rules laid down in Article 8.

### *Aide-de-Camp.*

26.—The pay allowed for Aides-de-Camp shall be issued to themselves, and shall be granted for such numbers only as each General Officer may be authorised by his Letter of Service to appoint, not exceeding in any case the following numbers:—

	Aides-de-Camp:					
Commander-in-Chief .. .. .	..	..	..	..	..	6
Commander of the Forces (commissioned as such) ..	..					4
General .. .. .	..	..	..	..	..	3
Lieutenant-General .. .. .	..	..	..	..	..	2
Major-General .. .. .	..	..	..	..	..	1
Brigadier-General, if employed in active operations in the field, but not otherwise .. .. .	..	..	..	..	..	1

and no extra Aide-de-Camp shall be appointed, except in time of war and in cases of emergency, without the previous sanction of the Commander-in-Chief and Secretary at War.

27.—If any extra Aide-de-Camp should be sanctioned, the usual allowances of an Aide-de-Camp, but no pay, may be issued to him.

28.—When from the death or discontinuance of a General Officer abroad, an Aide-de-Camp ceases to belong to the Staff, he will be allowed pay only to the date of such death or discontinuance; but, provided he does not belong to a regiment on the station, or does not remain abroad from choice, he will receive the regulated allowance, in aid of his expenses on returning home, according to the rules laid down in Article 8.

29.—If during the temporary absence of a General Officer from his command on leave, or from ill-health, his Aide-de-Camp remains at the station, such Aide-de-Camp shall not be allowed the pay of his appointment for the period of the General's absence; but if he does not belong to a regiment serving on the same station, he may continue to receive allowances during the General's absence.

*Officers officiating in Staff or Garrison Appointments, in consequence of the Death, or during the Absence of the Holders.*

30.—If a General Officer or a Colonel on the Staff in command of a station abroad shall die, or not be within the limits of the station, an Officer of inferior rank temporarily succeeding to such command shall, provided he does not receive any salary as Governor or Lieutenant-Governor, be allowed the following daily pay, viz. :—An Officer being on the Staff, 10*s.*, and a Regimental Officer not being on the Staff, if a Field Officer, 20*s.*, and if below that rank, 10*s.*, in addition to the pay of his own appointment.

31.—But an Officer below the rank of General Officer, so succeeding to temporary command, will not, except in cases of urgent necessity, be allowed to appoint an Aide-de-Camp, and no pay is to be issued to such Aide-de-Camp without the sanction of the Secretary at War.

32.—Upon stations where no provision is made for a General Officer or Colonel on the Staff, the senior Regimental Officer shall, in consideration of the trouble and responsibility of signing warrants upon the commissariat chest, receive an allowance, not exceeding 7*s.* 6*d.* a-day, to be fixed by the Secretary at War; provided such Regimental Officer does not hold any Staff appointment, and does not receive any pay or allowances from the public other than those attached to his regimental commission.

33.—When an Officer abroad (other than the Officer in chief command of the Forces) dies, or does not receive Staff pay in consequence of absence, the Officer in command will immediately notify to the Secretary at War the name of the individual appointed to act during the vacancy, and the Officer so acting will, if he holds an inferior appointment on the Staff, be allowed to receive the *difference* between the pay and allowances of such appointment on the Staff, and of the appointment in which he officiates.

34.—But if he is not an Officer on the Staff, he shall receive *half* the pay and *all* the allowances attached to that appointment, until the arrival of his successor on the station. If the acting Officer be regularly confirmed in the appointment by the Commander-in-Chief of Our Forces, he shall be allowed the full pay of that appointment from the date of such confirmation.

*Ordnance Officers.*

35.—Officers of the Royal Engineers and Royal Artillery, when employed upon the General Staff of the Army, shall receive, under the rules prescribed in this Warrant, through the Board of Ordnance, the same rates of pay and allowances as Officers of the Line receive under similar circumstances through the Secretary at War.

*Clerks.*

36.—The Chiefs of the several Military and Medical Departments shall submit to the General, or other Officer commanding on each station, annual statements of the numbers, duties, salaries, and allowances of such Clerks as they may have been authorised to employ, together with estimates of the expense and the other contingent charges of their Departments for the ensuing

year; which statements and estimates, after being revised and reported upon by the Commissariat Officer in charge, shall, with an abstract of the whole, and the report of the Commissariat Officer in charge, be submitted to the Secretary at War by the Officer commanding, in time to be received not later than the end of December in the current year; but it is to be distinctly understood, that no expense beyond what has been already authorised is to be introduced, and that no new charge can be admitted without the special authority of the Secretary at War previously obtained.

37.—Upon a vacancy occurring amongst any of the existing Clerks, the person appointed to succeed shall receive only two-thirds of the pay of his predecessor, until his pay shall be fixed by the Secretary at War, to whom the Officer commanding is to transmit all necessary information on the subject. If the pay determined upon shall exceed that temporarily allowed, the difference will be granted to the Clerk from the date of his appointment.

38.—Any Officer employing Civilians or Soldiers as Clerks without due authority, except in cases of necessity and emergency (which should be immediately reported), or continuing to employ them after the necessity has ceased, will be chargeable with all expenses incurred in consequence of such employment.

### *Officiating Deputy Judge Advocate.*

39.—On stations where a Deputy Judge Advocate may not be serving on the Staff, whenever it shall be necessary to appoint an Officer to officiate in that capacity on a General Court Martial, he may receive an allowance not exceeding two guineas for each day of the actual sitting of such Court, and for any intervening Sundays, but not for more than two days in the whole, on account of the total number of adjournments during the said session.

40.—The said allowance is not admissible for any day which has been occupied merely in preparing or reading over and signing the fair copy of the proceedings, nor for any Sunday or other day of adjournment intervening between the termination of one trial and the commencement of another.

41.—The Officer thus officiating shall submit to the President of the Court-Martial an account of the expenses incurred on the trial for stationery, hire of rooms, or other contingent charges; when, if the same shall appear to the President to be fair and reasonable, he shall give a certificate to that effect, in order that the amount may be issued by some regimental Paymaster under an authority from the Officer in chief command on the station.

42.—The following is the schedule of Daily Pay allowed for Staff Officers at home and abroad, who hold other military commissions or appointments :—

Chaplains,	}	if commissioned as such.
Deputy Judge Advocates,		
Provost Marshals,		
Deputy Provost Marshals,		

44.—*Issues of Pay.*—The issues of pay to the Officers described in the preceding Article shall be made *monthly* to Officers at home, and *every two months* to Officers abroad.

45.—*Upon Appointment.*—The pay shall commence from the date of the appointment; but if the Officer so appointed be destined for foreign service, he will not be allowed pay for a longer period than two months antecedent to the date of embarkation.

46.—*Upon Embarkation.*—Upon embarkation he will receive an advance of pay according to the assumed length of the passage, under the scale prescribed in Article 8; and the issue of his Staff pay, after his arrival at the station where he is to serve, will commence at the expiration of the period for which the advance had been issued. The Officer commanding on that station will be duly apprised by the Secretary at War of the date to which the advance has been made.

47.—*Upon Transfer.*—When an Officer of this class is transferred from the Staff at home to the Staff abroad, the pay of his latter appointment shall commence from the date when the pay of the former one ceases, provided the Officer shall embark within two months from that date; but if he shall remain at home beyond two months, his appointment will be treated as a first appointment, agreeably to the rule stated in Article 45.

date of his landing in this country, due proof being afforded of his having embarked to return at the earliest possible opportunity.

50.—If an Officer shall resign, or be deprived of his appointment for misconduct, his pay shall not be allowed beyond the date when he ceased to do duty.
